**About The
Problem**

Problem Staement

Explanation

Common men who want to run a start-up based on a revolutionary idea but don't get enough resources and learnings to initiate it they are often distracted by fraud.

How to pitch idea

Most businesses fail due to a lack of conceptual clarity.

Fundraising

How does someone raise funds for a idea?

Legalities

Lack of knowledge of patent, copyright and Trademark registration

WannaPreneur.

Competitor Analysis

Presently there is no such competition in the market as we are not charging currently a single penny to our consumers, as we will achieve a target base audience we will implement a revenue modal.

Pre-Revenue

We currently have no such direct competition .

Post-Revenue

Giant Players like Bada business.com will be our direct competition.

About The Analysis
